## So Build A Playground!

### ALLOWABLE EXPENSES

- Implementing the CDC's Covid Mitigation Strategy including:
  - 60 minutes of daily physical activity
  - Meeting student's social, emotional and mental health needs...particularly for underrepresented subgroups such as children with disabilities
- Purchasing furniture and equipment to account for increased outdoor activity including Outdoor Classrooms
- Play & Park Structures can help you navigate funding options and our Play Consultants will work with you every step of the way from design to installation - *So Build A Playground*

### Research continually shows that **PLAY** is a critical part of childhood development.

Play & Park Structures partners with world-renowned experts and researchers to continually develop play spaces that address the needs of the Whole Child.

Whether you just need to update what you have or want to start from scratch, **let our experts help you take full advantage of available funding** and create the playground of your dreams.

# Serious About **PLAY!**

## Serious About **STRUCTURE**

Not only do we *really* know how kids *really* play, but we also know how to help you build the playground of your dreams. Let us create one for you.

## Serious About **INCLUSION**

Our continued partnerships with researchers, play experts and educators help us develop spaces that enrich the play experience for kids of all abilities.

## Serious About **INNOVATION**

We continually work to create exciting play events like the Temple Trolley, the Swizzler and our entire line of SelfieWorld!

## Serious About **EDUCATION**

Cognitive, social and emotional connections bloom through play. We create research-based programs and structures that foster the developmental needs of the whole child.
